Join Us in Making History: The Start of Something Extraordinary

We are embarking on an incredible journey, one that has the potential to change lives and strengthen our community for generations to come. It is with great excitement that I invite you to be part of our **Building Better Futures** campaign—the most ambitious fundraising effort in the history of Stepping Stones Crisis Society.

This campaign is not just about reaching a financial goal; it's about creating a lasting impact on the lives of women and children who desperately need our support. With the help of passionate individuals like you, we aim to raise \$17.5 million to fund the build a new, state-of-the-art 2 phase facility that will double our capacity to provide safe shelter, support, and hope to those fleeing violence.

Your participation in this campaign is vital. Stepping Stones Crisis Society has been a pillar of support in our community for over 40 years, offering safety and care to women and children in their darkest hours. This new facility will enable us to continue and expand upon this legacy, ensuring that no one in our region has to face violence and fear alone.

The success of this campaign will be a testament to the power of community. We are already seeing incredible momentum, thanks to the dedication of our campaign co-chairs, volunteers, and early supporters. Together, we are spreading the word about the life-changing work being done at Stepping Stones and the urgent need for expanded services.

At the heart of our campaign is the belief that every woman and child deserves a safe place to call home. That's why a significant portion of our goal is dedicated to creating new emergency shelter beds and transitional housing units. Your support will not only provide immediate refuge but also help us build a continuum of care that empowers survivors to rebuild their lives.

As we embark on this journey, I invite you to join us in making history. Together, we can create a brighter future for our community—one where every woman and child can live free from fear and full of hope.

Thank you for considering this opportunity to make a difference. I am honoured to have you by our side as we build better futures, one family at a time.

Alberta has one of the highest rates of domestic violence in Canada, and in rural areas like ours, the situation is even more dire. The pandemic has only exacerbated this crisis, with a dramatic increase in cases of domestic abuse across our region. Despite the best efforts of Stepping Stones Crisis Society, the demand for our services far outstrips our current capacity.

Real Impact:

By contributing to this campaign, you are helping us expand our capacity to serve those in need. Your involvement ensures that our new facility will be a welcoming and supportive environment for families during their most challenging times.

Lasting Recognition:

We offer the opportunity for you to be recognized within the new facility, with naming rights for key spaces that will serve as vital resources for those we support. This is a meaningful way to leave a lasting legacy in our community.

Community Partnership:

Your support reflects a deep commitment to the wellbeing of our region. We value the partnership and trust you place in us, and we are dedicated to making sure your contribution has a lasting, positive effect on the lives of those we serve.

Thoughtful Contribution:

Your donation is not just financial support; it's a commitment to helping others find safety, dignity, and hope. We appreciate that your involvement comes from a place of care and concern for our community's future.

Building a Better Future Together:

This campaign is about more than just bricks and mortar; it's about coming together to create a safer, stronger community. With your help, we can build a place where families can find peace, healing, and the opportunity to start anew.

No Pet Left Behind

At Stepping Stones Crisis Society, we recognize the profound bond between families and their pets. For women and children fleeing domestic violence, the decision to leave an abusive situation often comes with an unbearable choice: seeking safety or staying behind to protect a beloved pet. This heartbreaking barrier often keeps families in unsafe environments, unable to leave for fear of leaving their companions behind.

To address this critical gap, we established the Pet Shelter—a sanctuary designed to provide a safe, loving space for pets while their families embark on their journey toward safety and healing. By integrating this resource into our services, we eliminate a major obstacle to seeking refuge, ensuring that no one has to choose between their safety and their family pet.

Your support can directly impact families in crisis. By sponsoring the Pet Shelter, you become a vital part of providing a lifeline to women and children who no longer have to make an impossible choice. This initiative allows families to flee dangerous situations while keeping their loved ones—human and animal—together, fostering hope and healing in their darkest moments.

Together, we can build a future where every family—pets included—has the opportunity for a safe and hopeful new beginning.
